MONTREAL | MOUNT ROYAL

## Subject: 2020 Tour du Courage PROCURE – Request for Support.

Dear

On Sunday, June 21st, I am registered to take part in the "Tour du Courage 2020" for its 11th edition.

The "Tour du Courage PROCURE" is a cycling challenge of 3,6,9 or 12 climbs of Mount Royal in recognition of the 12 men diagnosed each day with prostate cancer in Quebec.

This cause is close to my heart because it's the most common cancer in men and everyone can be impacted by it. This year again, 880 Quebecers will die from it. Therefore, it is urgent to act!

PROCURE is the only charitable organization dedicated to the fight against prostate cancer in Quebec. It raises awareness, supports and informs people concerned by this disease. It promotes and contributes to the financing of world-class research.

My personal challenge is to climb \_\_\_ times the Camilien-Houde road and my personal fundraising goal is \$ \_\_\_\_\_. I am asking for your help today to reach this amount so we can fight this disease together.

Thank you so much for your contribution to the cause.
