Subject: I am taking part in the Tour du Courage PROCURE 2022

Dear _____,

This year, I am proud to participate in the 13th edition of the Tour du Courage PROCURE to fight against prostate cancer.

Did you know that 12 Quebecers a day are diagnosed with this disease? In support of all affected men, I have decided to take up the PROCURE challenge and ride _____ kilometers by bike between May 19th and June 19th, 2022, while collecting donations.

Would you be willing to help me complete this challenge?

My fundraising goal is \$ _____.

Your contribution, no matter the amount, will mean a lot! Just click on the following link to my fundraising page: _____.

Together, we can help PROCURE to maintain its ongoing free service offer, which includes:

- ✓ A support line seven days a week;
- ✓ An online support chat service at procure.ca;
- ✓ Nurses specialized in uro-oncology;
- ✓ A website rich in content validated by a urologist committee;
- ✓ Monthly webinars animated by experts.

PROCURE also contributes to the funding of world-class research projects here in Quebec.

**We're one pedal stroke and one donation closer to bringing comfort!
Thank you so much for your contribution to the cause!**
